NADAC RULES AND REGULATIONS

This trial will be held under the current rules and regulations of NADAC. By entering this trial, the exhibitor is representing that he/she is knowledgeable of NADAC's rules. Exhibitors Handbooks are available free of charge by downloading from NADAC's web site at www.nadac.com. A hard copy of the Handbook may be requested through the NADAC office.

SKILLED AND PROFICIENT CATEGORIES

A dog may be entered in one category, Skilled or Proficient, per weekend. A dog may not be entered in Skilled one day and Proficient on another day. Dogs may enter the Skilled or Proficient category in the Standard, Veteran, or Junior Handler Division. In the Skilled category, you can work toward earning a MEDAL. In the Proficient category, you can work toward earning a NATCH.

Note: When entering the Skilled Category, all dogs must jump 4" lower than their Proficient, Standard Division jump height requires.

Dogs are allotted the standard course time for, and are scored and placed in the jump height entered.

Dogs entered in the Skilled category may have up to five course or time faults and still receive a 5 pt. qualifier toward their Regular Agility title. In the Proficient category you must have a clean run, with no course or time faults to earn a Q.

VETERAN/DISABLED HANDLER

Non-Jumping Classes—Veteran or Disabled Handler. Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only.

The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course.

When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

JUMP HEIGHTS:

Dog's Height	11" & under	14" & under	18" & under	20" & under	Over 20" (20+ class)
<u>Standard</u>	8"	12"	16"	20"	20"

IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the files section of the NADACAgility@yahoo.com list within two weeks after the NADAC office receives them from the club. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the www.NADACAgility@yahoo.com list and set your settings to "no mail". You will be able to view trial results and check for any possible discrepancies, without receiving list mail. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.
